#storywithWEIPU

Designed by **E-TECH**  
**TOP DOUBLE THROTTLE**  
with WEIPU IP68 SP series

## ABOUT STAR INVESTMENTS E-TECH DRIVES

Has been on the market for 35 years, specializing in electric boat motors. Over the years, E-TECH has produced and delivered nearly 1,000 electric motors for 45 different countries around the world.

## WHY WEIPU?

Just like the slogan that E-Tech has: "Every boat a better boat". E-TECH and WEIPU share the same belief of devoting themselves to improving products! E-TECH choose the *IP68 SP series* for their boat project as the solid and high quality which can make a stable connection even in marine environments.
